Looking for a well-rounded Front End Developer? That's me. I excel in building sleek and responsive websites using HTML , CSS ,Bootstrap, Tailwind CSS, and SCSS. But that's not all—I've also got a knack for SEO, ensuring your site not only looks great but also ranks high in search results.

Education

UNIVERSITY OF ENGINEERING AND TECHNOLOGY   *2022*
- Bachelor of Electrical Engineering
- GPA: 3.13

PUNJAB COLLEGE OF SCIENCE   *2018*
- Fsc Pre Engineering
- Marks : 961

Professional Experience

FMTECH   *2022-present*
- I've been responsible for crafting visually appealing and functional user interfaces using HTML, CSS, and JavaScript as well as experites in angular
- I have extensive experience in implementing responsive design principles to ensure that websites are optimized for viewing on various devices and screen sizes. This includes writing CSS media queries and employing flexible layout techniques to adapt to different viewport dimensions
- Ensuring accessibility is a top priority in all my projects. I've followed guidelines to make websites usable for people with incorporating features like keyboard navigation, semantic HTML etc.
- I've collaborated closely with designers to bring their vision to life, providing feedback on design feasibility and implementing UI/UX enhancements. Additionally, I've worked hand-in-hand with back-end developers to integrate front-end code with server-side logic and databases seamlessly.
- As a front-end developer, I've been responsible for addressing various UI issues to ensure a seamless user experience

GROWMORE   *2021 - 2022*
- I've also specialized as an on-page SEO (Search Engine Optimization) expert
- My responsibilities have included optimizing page titles, meta descriptions, and heading tags to align with targeted keywords and improve click-through rates
- I've also focused on enhancing website content for relevance and readability, incorporating keyword research insights and implementing schema markup to enhance rich snippets and improve search engine understanding of page content
